A7 HEN completed six years ago the St. Nicholas Was universally pronounced the most magnifi-cent, convenient and thoroughly organized estabishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three pub-lic dining rooms, and nothing that modern art has levised for the convenience and social gratification of the traveling public has been omitted in its plan or is neglected in its practical details. The early rep utation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the propri-ture. It is now consid-ered a specific for the worst forms of Dyspepsia, and a remedy for all Cutaneous Diseases, diserdered con-ditions of the Stomach, Bowe's and Liver, and for prostration of the nervous system.
